## Grupo Casais awarded a dual distinction in Prémios Construir

23.11.2018

On November 20, the winners of the 2018 Prémios Construir were known. Of the three nominations received, the Casais Group was awarded the "Internationalization" Prize, as well as, for the second consecutive year, the "Best Construction Company of the Year" award. Also noteworthy were the winners who had the participation and contribution of the CNT PT, namely the Miradouro do Pilar 7, conceived by A2P, in partnership with Infraestruturas de Portugal, which was awarded the trophy for the "Best Public Project" and the GRID Nova SBE Campus, which awarded the "Best Private Project" award.
