On November 14, at the headquarters of the Casais Group, in Braga, the donations raised by the Move For a Cause initiative were donated. The meeting was attended by members of the Administration of the Casais Group, José da Silva Fernandes (Chairman of the Board of Directors) and Deolinda da Silva Fernandes Rodrigues (Vice-Chairman), as well as of all institutions, except for CAT Raio de Sol. Between October 2017 and May 2018, several collaborators integrated a team solidarity challenge, dubbed "Move For a Cause".
