

## CNT Build completes the construction work Manhattan Loft Gardens

05.02.2019

CNT Build finished its work at the Manhattan Loft Gardens in London this month. This is a work of great magnitude, as the venture has 40 floors and 238 apartments, and the company was responsible for the installation of 13,020m<sup>2</sup> of wooden pavement. The work lasted about 18 months, involved 60 employees from 8 nationalities, and more than 60 000 thousand hours of work.
