Foreign Minister visits the Carpinangola

18.02.2019

On February 15, CarpinAngola received a visit from the Minister of Foreign Affairs, Augusto Santos Silva, and his delegation, relating to the financing of SOFID for the investment project that is ongoing. This project envisages the construction of a new industrial unit with a layout adjusted to the new challenges of the market, which will allow Carpinangola to increase its production in the Angolan market.
