CEO of Casais in Chicago

11.02.2019

Between February 5 and 8, the CEO of Casais, António Carlos Rodrigues, was in Chicago to participate in the “YPO | Construction Industry Network Roundtable 2019”. This is an event that brings together about 200 construction companies from different parts of the world, where the main objectives are the sharing of experiences, the interaction between people and the active listening of interventions of great global speakers.
