Casais CEO participates in webinars on the impact of Covid-19

09.07.2020

On July 8, António Carlos Rodrigues was a speaker at a PRIVATTO Investments Live. This was an initiative that brought together three important entrepreneurs from North America, Europe and Africa to talk about: "Global Impact of Covid-19 on Economics and Politics". Subsequently, on July 14, the CEO of Casais was the speaker of the webinar "Economic Recovery: What is the role of the construction sector", a forum for the confluence of ideas and perspectives on the future of the construction sector, promoted by EY Portugal in collaboration with AICCOPN.
